Sponsoring Family Questionnaire

**This form must be completed by a current CHS family.
Sponsoring Family cannot be an immediate family member.**

Our mission at Christian Heritage School is to educate children of Christian families to develop within them the character, knowledge, and skills necessary to serve Christ effectively in their day. It is our desire to develop a supportive relationship between the home, school, and church. The confidential information given here will be used by our Admissions Committee to determine if our school is right for the applying family.

Please complete this form prayerfully. Some of the questions may be difficult for you to answer. Please feel free to ask the prospective parents those questions to which you do not know the answer. Explain to the new family the four values that have shaped the life of CHS:

1. Our Partnership in Christ: Church, Home, School working together instead of at cross-purposes
2. A Biblical Worldview integrated into the curriculum and our life together
3. A Community of Grace: creating a safe place for our children to mess up, so they can find the grace to get back up
4. Faith in Action: developing opportunities to love Christ through serving our neighbors

As a sponsoring family you are affirming that the prospective family is indeed a Christian family (or at least one parent is) who agrees with the principles upon which Christian Heritage School is founded and will support the school in the partnership we ask all parents to make with us.

Prospective Family _____

Sponsoring Family _____

Date _____

1. Describe your relationship with this family. How long have you known them and in what capacity?

2. Describe their involvement in church.

3. Do they agree with the basic tenets of the Christian faith as delineated in the Doctrinal Statement (see attached)? Please note any exceptions.

4. Do they agree specifically with the basis of salvation as described in the Doctrinal Statement? Does it describe how they were personally saved?
“Through His mercy and grace, God provided redemption in the work of Jesus Christ, who in His death took upon Himself the guilt and condemnation of His people and in His resurrection broke the power of sin and death. Only through His finished work can man be justified by faith, adopted into the family of God, and assured of eternal life.”
5. What evidence can you see in their lives of a personal relationship with Jesus Christ?
6. Are they bringing their children to CHS because they want a biblically-based education for them?
7. Will they be involved in the education of their child(ren)? In what ways?
8. What benefit do they expect they will derive for their child(ren) from Christian Heritage School?
9. How long do they intend to have their child(ren) attend CHS?
10. Do you have any additional information that would help the Admissions Committee make this decision?

I affirm, to the best of my knowledge, that this family is indeed a Christian family (or at least one parent is) who agrees with the principles upon which Christian Heritage School is founded and will support the school in the partnership we ask all parents to make with us.

I further agree to become involved with them as a mentoring family for one year to insure that they will have a smooth adjustment to Christian Heritage School life.
